

Millimeter Wave Therapy: Disease And Points

1. Health Maintenance and Sub-health Conditioning

Irradiating lesions, respectively, Zusanli (Figure 1), Hoku (Figure 2), Neiguan (Figure 3).

1-2 times a day, 15 minutes for a time, regardless of treatment.

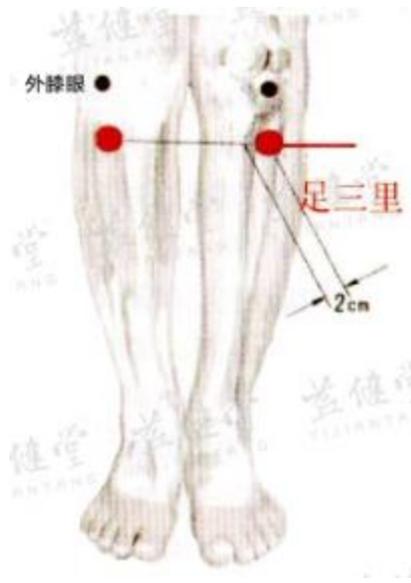

Figure 1

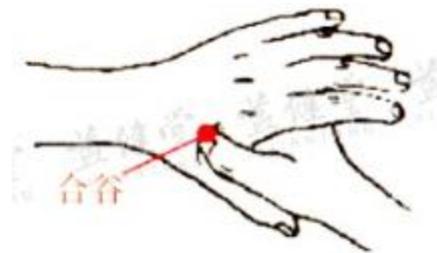

Figure 2

Figure 3

2. Treat The Main Symptoms Part Of Diabetes

Irradiating the surface projection area of the pancreas, Diji (Figure 4), Shenyu (Figure 5), Sanyinjiao (Figure 6).

1-2 times a day, 30 minutes every part, regardless of treatment.

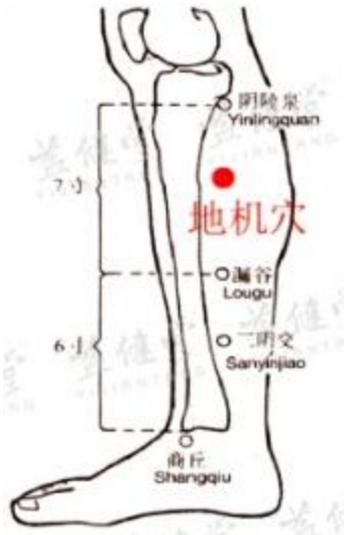

Figure 4

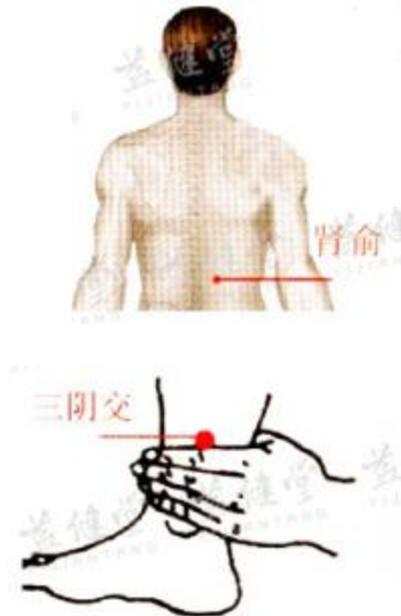

Figure 5

Figure 6

(1) Diabetic Foot And Diabetic Skin Ulcers

Irradiating lesions, with the surface projection area of the pancreas (Figure 7), Diji (Figure 8).

1-2 times a day, 30 minutes every part, regardless of treatment, until a cure.

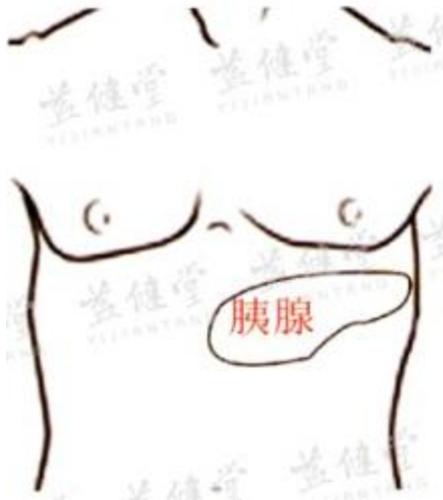

Figure 7

Figure 8

(2) Diabetic neuropathy, angiopathy

Irradiating pain location, with the surface projection area of the pancreas (Figure 9), Diji (Figure 10), Neiting(Figure 11).
1-2 times a day, 30 minutes every part, regardless of treatment, until a cure.

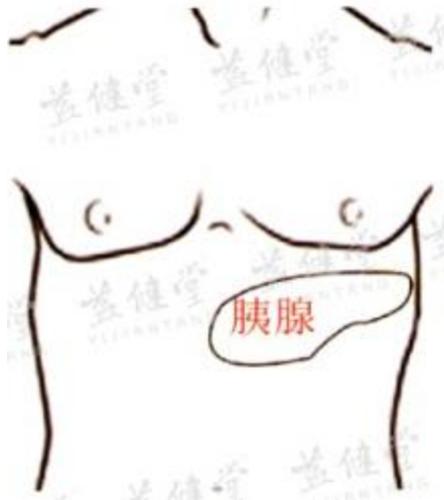

Figure 9

Figure 10

Figure 11

(3) Diabetic nephropathy

Irradiating Shenyu (Figure 12), with the surface projection area of the pancreas (Figure 13), Diji (Figure 14).

1-2 times a day, 30 minutes every part, regardless of treatment, until a cure.

Figure 12

Figure 13

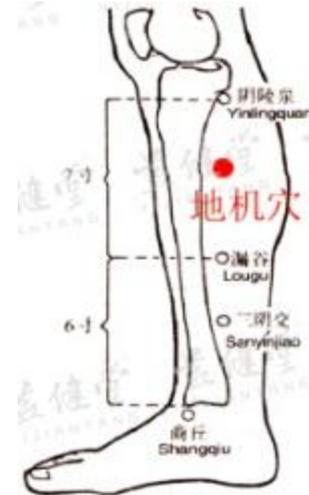

Figure 14

(4) Diabetic nephropathy

Irradiating the surface projection area of the pancreas (Figure 15), Diji (Figure 16), Ganyu (Figure 17), with Guangming (Figure 18).

1-2 times a day, 30 minutes every part, regardless of treatment, until a cure.

Figure 15

Figure 16

Figure 17

Figure 18

3. Eat More And Easy To Be Hungry

Irradiating Fenglong (Figure 22), Diji (Figure 23), with the surface projection area of the pancreas (Figure 24). 1-2 times a day, 30 minutes every part, regardless of treatment, until a cure.

Figure 22

Figure 23

Figure 24

4. Fatigue, Less Gas And Words, Diarrhea

Irradiating Diji (Figure 23), with the surface projection area of the pancreas (Figure 24), Weiyu (Figure 25), Yinlingquan (Figure 26), Sanyinjiao (Figure 27).

1-2 times a day, 30 minutes every part, regardless of treatment, until a cure.

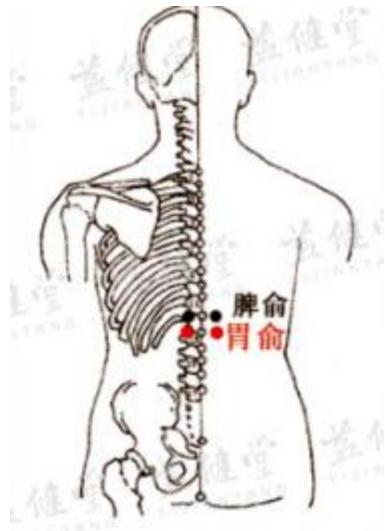

Figure 25

Figure 26

Figure 27

5. Lower Extremity Weakness, Cramps, Cold, Painful

Irradiating lesions, with the surface projection area of the pancreas (Figure 28), Yanglingquan (Figure 29), Diji (Figure 30).

1-2 times a day, 30 minutes every part, regardless of treatment, until a cure.

Figure 28

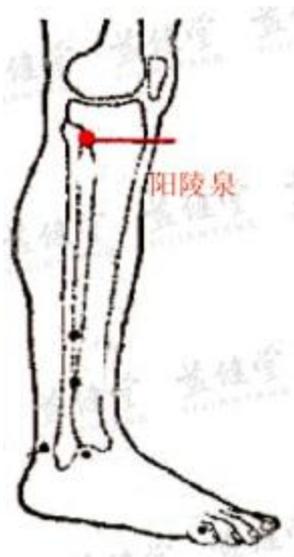

Figure 29

Figure 30

6. Pruritus

Irradiating lesions, Xuehai (Figure 31), Zusanli (Figure 32), Sanyinjiao (Figure 33).

1-2 times a day, 30 minutes every part, regardless of treatment, until a cure.

Figure 31

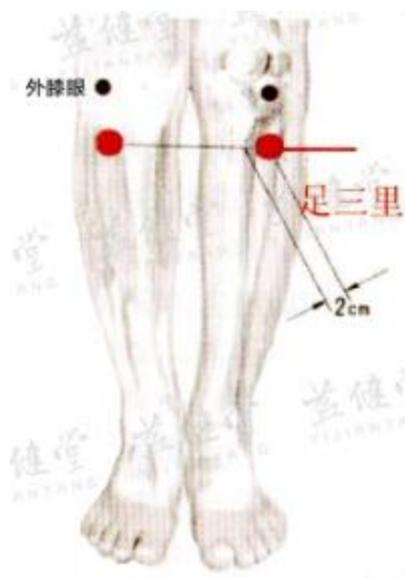

Figure 32

Figure 33

7. Prostatitis, Benign Prostatic Hyperplasia

Irradiating Huiyin (Figure 34).

1-2 times a day, 30-60 minutes For a time, regardless of treatment, until a cure.

8. Acute Soft Tissue Injury

Irradiating lesions.

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

Figure 34

9. Mastitis, Breast Hyperplasia

Irradiating lesions, with Rugen (Figure 35) or Tanzhong (Figure 36).

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

10. Trauma And Wounds Don't Heal

Irradiating lesions.

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

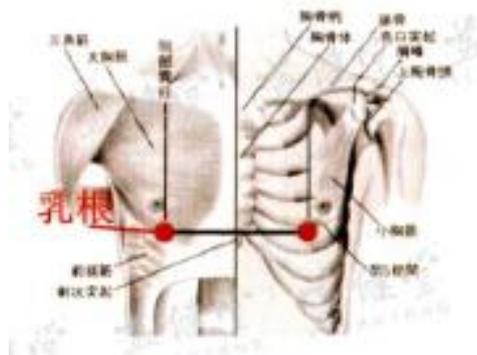

Figure 35

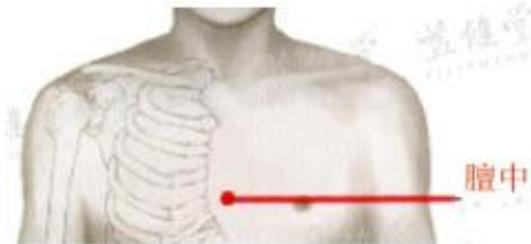

Figure 36

11. Suppurative inflammation

Irradiating lesions.

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

12. Erysipelas

Irradiating lesions.

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

13. Acute Lymphadenitis

Irradiating lesions.

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

14. Cervical Spondylosis

Irradiating lesions, Dazhui (Figure 37), Fengchi (Figure 38).

1-2 times a day, 30 minutes every part, regardless of treatment, until a cure.

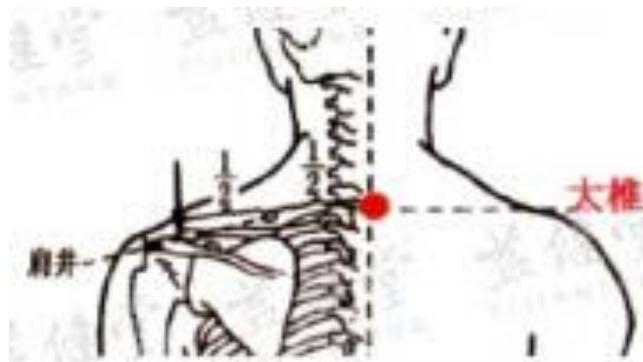

Figure 37

Figure 38

15. Frozen Shoulder

Irradiating lesions.

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

16. Tennis Elbow, Tenosynovitis

Irradiating lesions.

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

17. Lumbar Sprain, Lumbar Muscle Strain, Lumbar Disc Herniation

Irradiating lesions.

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

18. Osteoarthritis

Irradiating lesions.

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

19. Femoral Head Necrosis

Irradiating lesions.

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

20. Rhinitis, Nasal Polyps, Inferior Turbinate Hypertrophy

Irradiating lesions.

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

21. Temporomandibular And Jaw Joint Disorders

Irradiating temporomandibular and jaw joint (Figure 39).
1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

22. Toothache

Irradiating lesions, Hegu (Figure 40).
1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

Figure 39

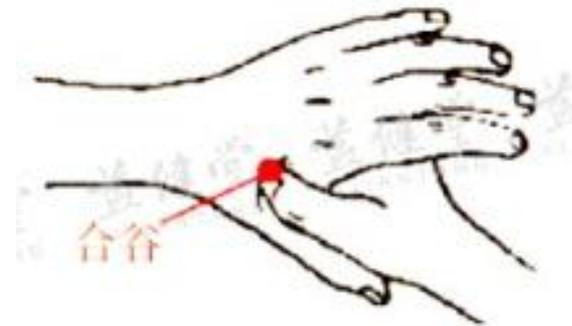

Figure 40

23. Sore throat

Irradiating lesions, with Taintu (Figure 41).

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

Figure 41

24. Headache, Trigeminal Neuralgia, Facial Neuritis, Facial Muscle Spasm

Irradiating lesions, with Taiyang (Figure 42), Zusanli (Figure 43).

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

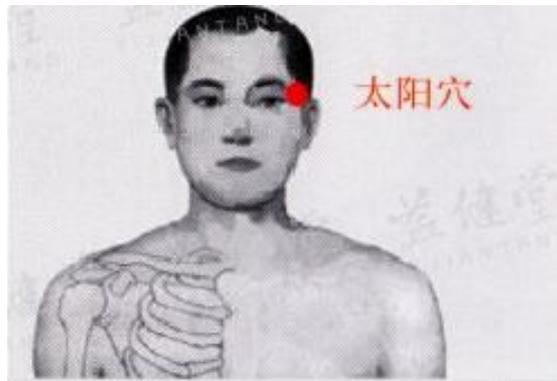

Figure 42

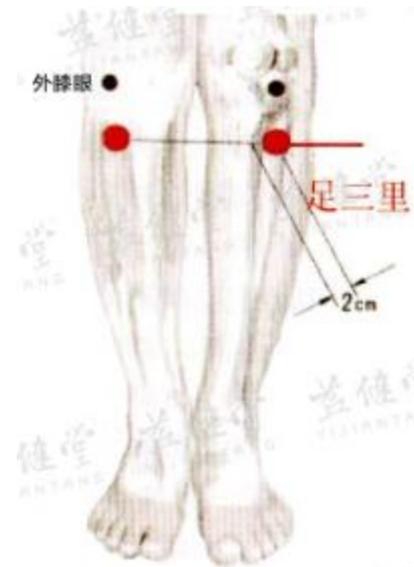

Figure 43

25. Bronchitis, Bronchial Asthma

Irradiating lesions, Dingchuan (Figure 44), Tiantu (Figure 45).

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

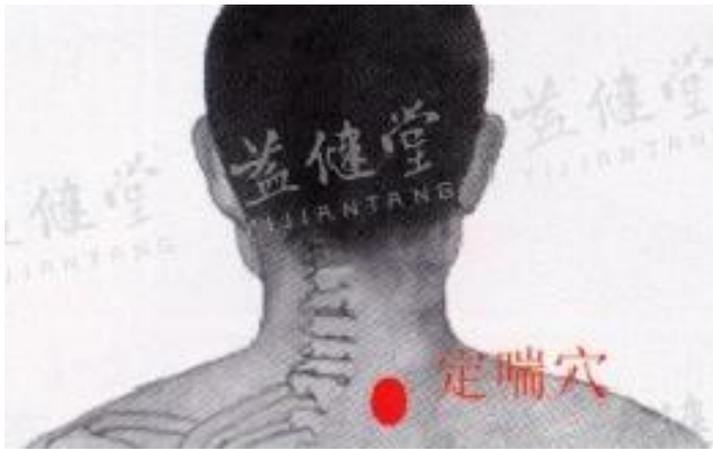

Figure 44

Figure 45

26. Epigastric Pain, Gastritis, Peptic Ulcer

Irradiating lesions, Zusanli (Figure 46).

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

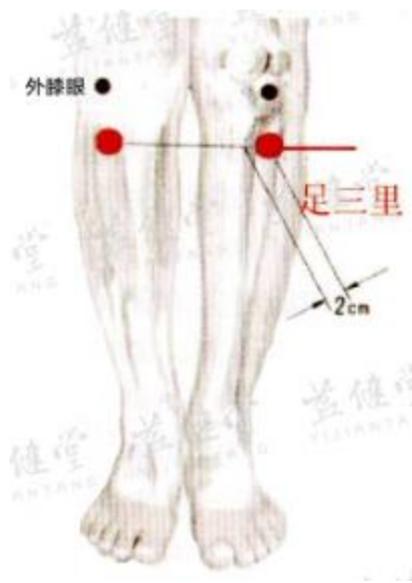

Figure 46

27. Hypertension

Irradiating carotid pulse area, Quchi (Figure 47),
Neiguan (Figure 48).

1-2 times a day, 30 minutes For a time, regardless of
treatment, until a cure.

28. Brain Spigot

Irradiating the right shoulder portion (Figure 49),
Quchi (Figure 47), Neiguan (Figure 48).

1-2 times a day, 30 minutes For a time, regardless of
treatment, until a cure.

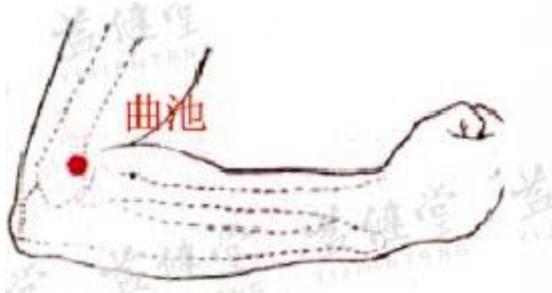

Figure 47

Figure 48

Figure 49

29. Coronary Heart Disease, Angina

Irradiating precordium, Neiguan (Figure 50), Xinyu (Figure 51).

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

30. Tonsillitis

Irradiating lesions.

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

Figure 50

Figure 51

31. Kidney Disease

Irradiating Shenyu (Figure 52), Zusanli (Figure 53).
1-2 times a day, 30 minutes For a time, regardless of
treatment, until a cure.

Figure 52

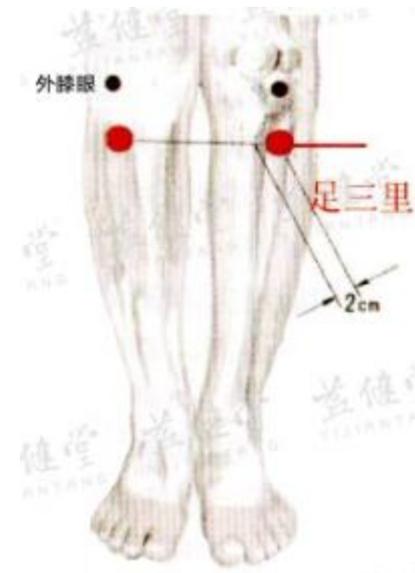

Figure 53

32. Urinary Tract Infection

Irradiating lower abdomen, Yinlingquan (Figure 54).
1-2 times a day, 30-60 minutes For a time, regardless of treatment, until a cure.

33. Constipation

Irradiating Tianshu (Figure 55).
1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

Figure 54

Figure 55

34. Insomnia, Neurasthenia

Irradiating Anmian (Figure 56), Neiguan (Figure 57).
1-2 times a day, 30-60 minutes For a time, regardless
of treatment, until a cure.

35. Dysmenorrhea

Irradiating lower abdomen.
1-2 times a day, 30 minutes For a time, regardless of
treatment, until a cure.

Figure 56

Figure 57

34. Pelvic Inflammatory Disease, Pelvic Inflammatory Mass, Annex Inflammation, Vaginitis

Irradiating pain point of lower abdominal, Huiyin (Figure 58).

1-2 times a day, 30-60 minutes For a time, regardless of treatment, until a cure.

35. Acne

Irradiating lesions.

1-2 times a day, 30 minutes For a time, regardless of treatment, until a cure.

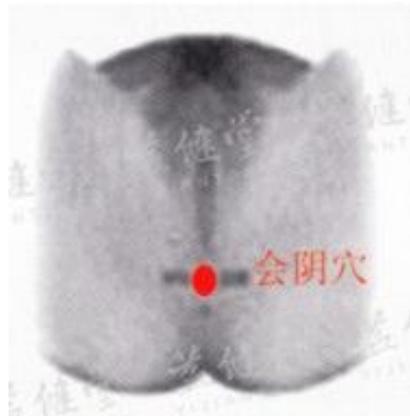

Figure 58

34. Eczema, Shingles, Postherpetic Neuralgia, Atopic Dermatitis

Irradiating lesions area of skin.

1-2 times a day, 30-60 minutes For a time, regardless of treatment, until a cure.

35. For specific cancers chose corresponding treatment points

Liver cancer take Liver Yu acupoint,
Esophageal cancer take Tai Chong acupoint,
Gastric cancer take Nei Guan, Pi Yu,
Breast cancer take Breast Root, Nei Guan,
Lung cancer take Lung Yu, Pi Yu,
Malignant lymphatic tumor take Da Zhui acupoint,
Sanli,
Patients with white blood cells take Large pivot, Nei Guan acupoint.
