Controlled folder access requires turning on Real-time protection.

Controlled folder access

Protect files, folders, and memory areas on your device from unauthorized changes by unfriendly applications.

[Manage Controlled folder access](#)

Exclusions

Microsoft Defender Antivirus won't scan items that you've excluded. Excluded items could contain threats that make your device vulnerable.

[Add or remove exclusions](#)

Notifications

Microsoft Defender Antivirus will send notifications with critical information about the health and security of your device. You can specify which non-critical notifications you would like.
