  4. Rectal cancer: ........................................................................... - 26 -
  5. Bladder cancer: ......................................................................... - 27 -
I. Millimeter wave therapy
(Millimeter wave probe is big, you can cover the accupoint with it.)

1. Health maintenance, and health recuperation:

Irradiate Zusanli (Pic 1), Hegu (Pic 2) and Neiguan (Pic 3) accupoint.
One or two times a day, 15 minutes each time.
2. Diabetic main site:

Irradiate of pancreatic body surface projection area, Diji(Pic 4), Shenshu(Pic 5), Sanyinjiao(Pic 6) accupoint. One or two times a day, 30 minutes each time.
3. Diabetic foot:

Irradiate lesions area, auxiliary the **surface projection of the pancreas (Pic 7)**, **Diji (Pic 8) accupoint**. One or two times a day, 30 minutes each part. Continue treatment until recovery.

4. Diabetic skin ulcer:

Irradiate lesions area, auxiliary the **surface projection of the pancreas (Pic 7)**, **Diji (Pic 8) accupoint**. One or two times a day, 30 minutes each part. Continue treatment until recovery.
5. Diabetic neuropathy, Vascular lesions:

Irradiate pain area, auxiliary the surface projection of the pancreas (Pic 7), Diji (Pic 8), Neiting (Pic 9) accupoint. One or two times a day, 30 minutes each part. Continue treatment until recovery.

6. Diabetic nephropathy:

Irradiate Shenshu (Pic 10), auxiliary the surface projection of the pancreas (Pic 7), Diji (Pic 8) accupoint. One or two times a day, 30 minutes each part. Continue treatment until recovery.
7. Diabetic retinopathy:

Irradiate the *surface projection of the pancreas* (Pic 11), *Diji* (Pic 12), *Ganshu* (Pic 13), auxiliary *Guangming* (Pic 14) *acupoint*. One or two times a day, 30 minutes each part. Continue treatment until recovery.
8. Diabetic thirst:

Irradiate Yishe(Pic 15), Feishu(Pic 16), Chengjiang(Pic 17), auxiliary the surface projection of the pancreas(Pic 11), Diji(Pic 12) acupoint. One or two times a day, 30 minutes each part. Continue treatment until recovery.
9. Diabetic hunger:

Irradiate Fenglong (Pic 18), Diji (Pic 19) acupoint, auxiliary the surface projection of the pancreas (Pic 20), one or two times a day, 30 minutes each part. Continue treatment until recovery.
10. Tired and weak, few words, diarrhea:

Irradiate **Diji**(pi19) **acupoint**, auxiliary the **surface projection of the pancreas**(Pic 20), **Weishu**(Pic 21), **Yinlingquan**(Pic 22), **Sanyinjiao**(Pic 23) **acupoint**. One or two times a day, 30 minutes each part. Continue treatment until recovery.
11. Lower extremity weakness, cramps, cold and weakness:

Irradiate Xuehai(Pic 27), Zusanli(Pic 28), Sanyinjiao(Pic 29) accupoint, and the affected area. One or two times a day, 30 minutes each part. Continue treatment until recovery.
12. Prostatitis, Hyperplasia of prostate gland:

Irradiate Huiyin(Pic 30). 1 or 2 times a day, 30 minutes to 60 minutes each time. Continue treatment until recovery.

13. Mammitis, Hyperplasia of mammary glands:

Irradiate lesions area, auxiliary Rugen(Pic 31) or Danzhong(Pic 32) accupoint. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.

14. Trauma and Wound healing:

Irradiate wounds and lesions area. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.
15. **Acute soft tissue injury:**
Irradiate injury, 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.

16. **Suppurative inflammation:**
Irradiate lesions area. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.

17. **Erysipelas:**
Irradiate lesions area. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.

18. **Acute Angialymphitis, Adenolymphitis:**
Irradiate lesions area. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.

19. **Cervical spondylosis:**
Irradiate Dazhui(Pic 33), Fengchi(Pic 34) accupoint and lesions area. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.
20. Scapulohumeral periarthritis:
Irradiate pain area, 1 or 2 times a day, 30 minutes each time.
Continue treatment until recovery.

21. Tennis elbow, Tendonitis:
Irradiate lesions area. 1 or 2 times a day, 30 minutes each time.
Continue treatment until recovery.

22. Lumbar sprain, Lumbar muscle strain:
Irradiate pain area. 1 or 2 times a day, 30 minutes each time.
Continue treatment until recovery.

23. Lumbar disc protrusion:
Irradiate lesions area. 1 or 2 times a day, 30 minutes each time.
Continue treatment until recovery.

24. Osteoarthritis:
Irradiate lesions area. 1 or 2 times a day, 30 minutes each time.
Continue treatment until recovery.

25. ONFH (Osteonecrosis of the Femoral Head):
Irradiate lesions area. 1 or 2 times a day, 30 minutes each time.
Continue treatment until recovery.

26. Temporomandibular joint (Pic 35) disorder:
Irradiate pain area. 1 or 2 times a day, 30 minutes each time.
Continue treatment until recovery.

27. Allergic rhinitis, Nasal polyps, Inferior turbinate hypertrophy:
Irradiate lesions area. 1 or 2 times a day, 30 minutes each time.
Continue treatment until recovery.
28. Toothache:

Irradiate pain area and Hegu(Pic 36) accupoint. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.

29. Sore throat:

Irradiate lesions area, auxiliary Tiantu(Pic 37) accupoint. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.

30. Headaches, trigeminal neuralgia, facial palsy, hemifacial spasm:

Irradiate lesions area, auxiliary Taiyang(Pic 37), Zusanli(Pic 38) accupoint. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.
31. Bronchitis, bronchial asthma:

Irradiate lesions area, Dingchuan(Pic 10), Tiantu(Pic 41) accupoint. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.

32. Pain in the stomach, gastritis, peptic ulcer:

Irradiate stomach lesions area, Zusanli(Pic 41) accupoint. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.
33. Hypertension:

Irradiate carotid artery area, Quchi(Pic 42), Neiguan(43) accupoint. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.

34. Cerebral infarction:

Irradiate carotid artery area, Quchi(Pic 42), Neiguan(43) accupoint and right shoulder joint area(Pic 44). 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.
35. Coronary heart disease, angina pectoris:

Irradiate Chest region, Neiguan(Pic 45), Xinshu(46) accupoint. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.

36. Tonsillitis:

Irradiate lesions area. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.
37. Nephropathy:

Irradiate Shenshu(Pic 45), Zusani(li)(46) accupoint. 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.
38. Urinary tract infection:

Irradiate both underbelly, Yinlingquan acupoint (Pic 50), 1 or 2 times a day, 30-60 minutes each time. Continue treatment until recovery.

39. Constipation:

Irradiate Tianshu acupoint (Pic 51). 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.
40. Insomnia, neurasthenia
Irradiate Anmian acupoint (Pic 52), Neiguan acupoint (Pic 53). 1 or 2 times a day, 30 minutes each time. Continue treatment until recovery.

41. Dysmenorrhea:
Irradiate underbelly. 1 or 2 times a day, 30 minutes each tim. Continue treatment until recovery.
42. Pelvic inflammation, Pelvic inflammatory mass, Accessory phlogistic, Senile vaginitis:

Irradiate the pain points of hypogastrium and Huiyin (Pic 54) Acupuncture. 1 or 2 times a day, 30 minutes each time, continued treatment until recovery.

**Huiyin Acupuncture:** located in the middle sag of the anus and genitals.

43. Acne:

Irradiate the acne area. 1 or 2 times a day, 30 minutes each time, continued use until recovery.

44. Eczema, Herpes zoster, Herpes zoster neuralgia, Allergic dermatitis

Irradiate the skin lesion area. 1 or 2 times a day, 30 minutes each time, continued use until recovery.
II. Millimeter-wave cancer treatment

1. Cancer of head and neck:

Irradiate Hegu, Yingxiang, Xiache and Ashi (No fixed position, around the affected area, pressing pain point) acupoint. One time a day, 30 minutes each time, 5 times a week, 30 times a course.
2. Breast cancer:

Irrigate Rugen, Danzhong, Neiguan acupoint. One time a day, 30 minutes each time, 5 times a week, 30 times a course.

3. Lung cancer:

Irrigate Tiantu, Feishu, Danzhong acupoint. One time a day, 30 minutes each time, 5 times a week, 30 times a course.
4. Rectal cancer:

Irradiate Qihai, Guanyuan and Zusanli accupoint. One time a day, 30 minutes each time, 5 times a week, 30 times a course.
5. Bladder cancer:

Irradiate **Zhongji, Pangguangshu, Yinlingquan** accupoint. One time a day, 30 minutes each time, 5 times a week, 30 times a course.
